

# Knowledge Exam Instructions

These instructions are to be placed in the common area so that all candidates have an opportunity to read them before entering the knowledge test area.

**A laminated copy is to be placed by each knowledge test station, so the candidate may refer back to these directions during their knowledge exam.**

You are not allowed to leave the Knowledge Testing Area/Room until you have finished your Knowledge test. If needed, please remember to use the restroom before entering the testing rooms.

Cell phones, smart watches, fitness monitors, Bluetooth connected, or any other electronic devices (tablet, laptop, iPod, etc.) **MUST BE TURNED OFF** and are not allowed to be used or near or on your person (in pockets, on wrist, etc.) during testing. All personal belongings need to be placed in the designated area inside the testing room. Devices and personal belongings must be collected when you leave the test area after completing an exam component.

Anyone using an unapproved electronic device (texting/Google searching/etc.) or any other form of cheating during testing will be asked to leave the test site, forfeit all testing fees, have their test scored as a failed test attempt, and be reported to their training program and the Wyoming State Board of Nursing (WSBN).

The Knowledge Test Proctor (KTP) will ask you if you have any questions before your Knowledge Exam is started.

The questions will be presented to you, one at a time, on the computer screen. You will have a maximum of **60 minutes** to select answers A, B, C, or D for each of the questions. The KTP will announce when there are 15 minutes remaining.

- If needed, you may do math calculations on a piece of scratch paper provided to you by the KTP.
  - \* *Any scratch paper must be left with the KTP when done testing.*
- Published foreign language word-for-word translation dictionaries, translators, electronic dictionaries, and non-approved language translators **are not allowed**.

If you have any issues with the computer, please quietly alert the Knowledge Test Proctor (KTP).

When you believe you are finished with your exam, double-check all your answers. Then quietly alert the KTP that you are finished. The KTP **MUST COME TO YOU** and make sure all questions are answered and then log you out of the exam.

**DO NOT PRESS THE 'End Exam' BUTTON AT ANY TIME!**

***The KTP must assist you with ending the test.***

Once the test is over, the KTP will collect all testing materials and direct you to your next area. However, all materials must remain in the test area at all times.

Pick up any of your personal belongings as you exit the room quietly.
